

Corrigendum on “A Strong Mixing Condition and a Central Limit Theorem on Groups”

MURRAY ROSENBLATT

Journal of Mathematics and Mechanics, Vol. 17, No. 2, Pages 189–198.

Page 191. Replace “strongly mixing” by “uniformly ergodic” in the statement of Lemma 2

Page 194. line 12 from top of page. Replace “Markov chain” by “Markov process”

Page 197. The inequality on line 4 from the top of the page should read
$$|Ef_0 T^{k_1} f_1 T^{k_2} f_2 T^{k_3} f_3| \leq \alpha^{k_1+k_2+k_3} \|f_0\|_2 \|f_1\|_2 \|f_2\|_2 \|f_3\|_2 (2\alpha^{k_3} + 1)$$

Page 198. line 18 from top of page. Read “Lemma 3” instead of “Lemma 4”
